Advertising at Our Upcoming DMFX Financials Events

# DMFX Financials **live events**

## What is DMFX Financials?

- An ongoing series of live events hosted by Daniel Maarek and online courses to help investors of all backgrounds become familiarized with the basics of trading.
- Advanced trading concepts will be covered such as leverage and profit strategies, but many events and courses are tailored for the needs of newer investors.
- Experienced traders will also be introduced to new and advanced concepts, making the events and courses worthwhile for them to attend.
- Live events will be held in premier travel destinations throughout the world at upscale hotels with extensive accommodations for both sponsors and attendees.

**Who will attend our events?**

Our events are highly attractive for new investors because they are focused on helping them get up and running and teaching them advanced strategies.

These investors are seeking information about regulated platforms like yours as they get started in their trading careers.

Many of them have an excellent chance of turning into long-term customers of your platform.
